Cost Share Success

Conway County landowners were awarded over one million dollars in cost share for best management practices through the Mississippi River Basin Watershed Initiative. For information about the 2013 sign-up contact the Conway County Conservation and the Natural Resources Conservation Service located at 207 Shady Lane in Morrilton, Arkansas. Or landowners can call 501-354-2000, ext 3.

Litter Spreader Available

The Conway County Conservation District has litter spreader available for landowners in Conway County. Rental for the Litter Spreader is \$100.00 deposit, plus \$100.00 per day. In order to rent the Litter Spreader, you must come by the office to fill out a rental agreement and pay the deposit and first day's rental fee.

A No-Till Drill is also available for rent. The rental charge for the No-Till Drill is \$100.00 deposit, plus \$150.00 per day. In order to rent the Litter Spreader, you must come by the office to fill out a rental agreement and pay the deposit and first day's rental fee.

Aimee Self, Water Quality Technician

The new Water Quality Technician for the Conway County Point Remove Water Quality Project is Aimee Self. Aimee has been with the Conway County Conservation District for 12 years and has previous experience writing Nutrient Management Plans. Aimee will be writing nutrient management plans for the project area, as well as, outreach for the project. If your farm is in the project area (see County Map on back page), contact Aimee for a Nutrient Management Plan.

Best Management Practices Implemented in the Project Area

Soil and Water Conservation Week

April 29th — May 6

Soil and water conservation is a key element in helping preserve our natural resources and maintaining them for the future.

We urge everyone to practice good basic conservation.

Help keep our natural resources clean.
